Summer day camps are a great way to learn about 4-H and some of the fun things you can do as a 4-H’er. Check out our classes below. Summer day camps are for kids who are going into 2nd grade up to 8th grade. If you are entering high school or are a current high school student and would like to be a teen leader at our camps and help out in a leadership role, please check the box on the registration form. Registration and costs are on the back.
